

Your touch is enough to change an animal's life.

Support Animal Protection

You will take care of and protect sick and homeless animals

ECELA-Viña del Mar

Description

The objective of this project is to decrease the population of homeless animals through animal adoption and education of the population with respect to responsible care of pets.

Project Details:

- Adoption campaigns generally take place three times a week during the summer depending on the number of animals that exist at that point in time. As many pups and kittens are exhibited as full-grown dogs and cats, such that constant supervision and attention of the animals is needed throughout the entire day.
- Animal grooming takes place in the "New Dog" veterinary clinic.
- Perform random checks of adopted pets to ensure quality care and health.
- Feed, clean, vaccinate and walk the animals before handing them over for adoption

Requirements: Passport. There is no age limit.

Volunteer Time Period: three times a week.
